TEXTURAL

01

Artworks that emphasize the tactile qualities of the surface using various tools, materials, and application methods to build up layers, create raised or rough areas, and evoke a sense of touch visually.

Wall Stories
Beyond the surface
Terra

EXPRESSIVE

02

Bold brushstrokes, vibrant colors, distorted forms, and an overall sense of spontaneity. This style aims to evoke a visceral response from the viewer, tapping into the emotional and psychological aspects of the human experience.

Freedom
State of Mind
Instinct
Harmony

GRAPHIC

03

Inspired by street art and urban environment using elements such as colors, shapes, lines, typography, and composition to create dynamic designs

Zahlen
Graffiti

ABSTRACTED NATURE

04

Abstract interpretation of nature, sea, sky and landscape. Movement and spontaneous marks are important elements.
